...and getting ready for interactive marketing, this is here now."

With online systems, he says, **marketers** can create a sales pitch,

download it onto the system's database and measure response.

Campaigns can take the form of messages on **electronic mail**

bulletin boards, as **advertisements** flashed across the

computer screen or as full-fledged shopping options. With

E-mail marketing, Clark says, a **marketer** knows

when a sales message was received, when and if it was opened, what action
